1. I understand that I am taking part in a trail ride that can in no way be considered a race and which has no notion of competition.
2. I am fully aware that I am riding on public tracks open to and regularly by used others - children, walkers, horse riders, other off road motorcycle riders, mountain bikers, 4x4s and tractors – and undertake to ride in such a way as to not endanger their safety.
3. I will never take a corner without assuming that there is somebody around the other side.
4. When riding through towns and villages I will respect all local speed limits.
5. When riding past others or going past houses, while on tracks, I will slow down to walking pace.
6. When I meet horse riders coming the other way I will stop and cut my engine.
7. I will stay on the indicated route and not ride across fields or off the track.
8. I will refrain from pulling wheelies or any other type of stunt riding on tarmac roads.
9. I will make sure that my motorcycle is properly silenced, road registered, insured and taxed, and that my number plate is legible and of a legal size.
